

about us

We offer compassionate, one-on-one non medical home care and quality companionship. We strive to help maintain independence without changing lifestyles, and we continually aim to improve one's overall quality of life.

At Beacon Home Care we believe that nothing is more important than the health, happiness, privacy, comfort, and safety of your loved ones.

Our Home Care Aides (HCAs) offer personalized care and assistance for loved ones in residential homes and communities.

Our HCAs strive to meet the needs of your loved one, using their skill and experience to provide tailored care. Rest assured, our HCAs are Beacon Home Care employees, licensed, bonded, and insured. We take care of their payroll taxes, liability insurance, and worker's compensation, giving families the peace of mind to focus on what matters most.

All HCAs must complete:
3 Step Interview Process and Testing
Background and Reference Check
DOJ Livescan Fingerprinting
Annual Training
Home Care Aide State Licensure

We offer a free, no obligation in home assessment to help develop a comprehensive care plan. We have no weekly minimums, offering you the flexibility to adjust services as needed.

Our management team is comprised of dedicated leaders who provide continual monitoring of caregiver performance and client relationships.

We provide quality assurance checks with our Home Care Aides and our families to ensure superior service. Daily records of client activity are maintained during each shift.

Highly customized service schedules, tailored according to the individual needs of each client, are available. We offer a la carte services, overnight, and 24 hour care.
